

Governance Support

Ensuring the effective management and compliance of miners' welfare charities is crucial. Our governance support offer comes with tailored guidance and training, empowering you as trustees with the knowledge and tools you need to succeed.

Securing good governance for your charity ensures that you are operating within the legal framework for charities, provides a better service for your beneficiaries, and helps to protect you as a trustee.

CISWO offers dedicated governance support to help charities navigate the complexities of governance, ensuring they operate smoothly, efficiently, and in compliance with regulatory requirements.
